

# FIRST BAPTIST JONESBORO

## A WORD FROM THE PASTOR

Can you believe that we are already in the summer vacation season? The winter and spring months are in our rear view mirror, and most everyone is ready for a little summer break. Here at FBJ, we are preparing for a super summer season. We get to kick off the summer with a basketball Skills Camp in the ROC, a Men's Basketball season, Vacation Bible School and Kidz Kamp, Journey Student Camp for our teenagers, and other exciting opportunities for our young members. There are many opportunities throughout the month of June here at FBJ that you surely will not want to miss!

The summer months also are a time to begin preparing for the fall here at FBJ. During the months of June and July we will host trainings for our Community Group Leaders and Life Group Leaders, preparing our fall discipleship classes and praying for a fantastic fall!

Please mark your calendars for Wednesday, August 3rd when we regather for our Wednesday evening activities, with a special Opening Night that you will not want to miss! We will welcome you back with a special dinner beginning at 4:45p, followed by new Equip classes, Kingdom Kidz, Wednesday Night @ the ROC Student worship, our choir and orchestra, and our Chapel prayer service.

Be on the lookout for opportunities to register for our new Equip (discipleship) classes and opportunities to grow in your faith. Begin praying now about your involvement in our Wednesday activities here at FBJ. You're going to want to be here!

I am praying for all of our families to have a fun and faith-filled summer season!

Blessings,  
Andy Cauble

## BUILDING RENOVATION UPDATE

Our Worship Center renovation is tracking on schedule at this point. The demolition has been completed, and the construction is going “full-throttle.” The steel additions were recently finished and approved. The masonry work was also completed in the few days and looks exceptional. The painting of the room is now a major component of our construction timetable along with the addition of the electrical elements and the building of the stage and choir loft. So far, our general contractor and all sub-contractors are pleased with the progress of our project. Here are some pictures to give you a sneak peek at the project to this point. Pray for our leadership and construction staff as we are hammering through this renovation process together.
